We Create Community!

Since 1883, we are a growing diversified information company that engages and inspires citizens to get involved in solving community issues and celebrating our communities' shared values.

We engage, inform and serve our community by driving growth, prosperity and quality of life through trusted journalism and innovative marketing solutions.

We Earn your Business

Everything we do for our business clients is designed to deliver results because we want to earn your business so you'll keep coming back campaign after campaign and year after year.

We sell advertising campaigns which are a series of advertisement messages that share a single idea and theme which make up an integrated marketing communication. The best advertising campaigns utilize a diverse product mix of media channels (integration), over a particular time frame, to identified target audiences.

We tailor each campaign to accomplish the client's particular objective or a set of objectives whether it's establishing a brand, raising brand awareness, or driving traffic and sales.

We strive to optimize each campaign's frequency and product mix to deliver efficiency and effectiveness.

2023 Display Ad Pricing is based on the advertiser's quarterly expenditure, the number of ads run in a given time period (3 Ads/7-Days, 8 Ads/30-Days or 16 Ads/90-Days), the product(s) in which the ad is run, and finally whether the ad runs on Sunday or another day of the week (a Daily).

Because multi-channel advertising increases efficiency and effectiveness, we further incentivize advertisers to purchase a mix of products to increase reach and optimize results.
