We Earn your Business

Everything we do for our business clients is designed to deliver results because we want to earn your business so you'll keep coming back campaign after campaign and year after year.

We sell advertising campaigns which are a series of advertisement messages that share a single idea and theme which make up an integrated marketing communication. The best advertising campaigns utilize a diverse product mix of media channels (integration), over a particular time frame, to identified target audiences.

We tailor each campaign to accomplish the client's particular objective or a set of objectives whether it's establishing a brand, raising brand awareness, or driving traffic and sales.

We strive to optimize each campaign's frequency and product mix to deliver efficiency and effectiveness.

2024 Display Ad Pricing is based on the advertiser's quarterly expenditure, the number of ads run in a given time period (3 Ads/7-Days, 8 Ads/30-Days or 16 Ads/90-Days), the product(s) in which the ad is run, and finally whether the ad runs on Sunday or another day of the week (a Daily).

Because multi-channel advertising increases efficiency and effectiveness, we further incentivize advertisers to purchase a mix of products to increase reach and optimize results.

Preprint Information

Preprint rates are based on cost per thousand (cpm).

Single-sheet inserts are those measuring up to a maximum of 93.5 square inches (8-1/2" \times 11"). All other preprinted inserts, including gatefolds and mini-wraps are billed at tabloid page equivalents by measuring the square inches per page, as follows:

- Flexi page: 36 to 80 inches (divide by 2)
- Tab page: 81-138 inches (use actual pages)
- Standard page: 139-215 inches (multiply by 2)

To determine a page count for envelope inserts, calculate the square inches of the envelope to identify square inches per page. Count the envelope and the total pieces enclosed to establish the number of "Tabloid pages."

Minimum size of insert is "4 x 6" and weight is 60#. Maximum folded delivery size must be no larger than 11-3/8" x 11." Irregular, novelty or product sample inserts must have prior written approval from the Publisher before acceptance and delivery.

We accept materials from Advertisers and printers with quantity counts subject to verification at time of insertion. We may verify count by weight, machine recording or other means at our discretion and will apprise the Advertiser of shortages. We accept responsibility for accurate counts only for inserts printed in-house.

- * 5,000 minimum for local advertising
- * 10,000 minimum for national advertising.
